

Ennoble First Inc. Achieves CMMI DEV & SVC V2.0 Maturity Level 3

CHANTILLY, VA., Sept. 23, 2021 — Ennoble First Inc. a minority owned SB 8(a) company specializing in delivery of IT services and solutions to US Federal government, today announced that Ennoble First has achieved Capability Maturity Model Integration (CMMI)[®] Development and Services V2.0 Maturity Level 3. CMMI is a capability improvement framework that provides organizations with the essential elements of effective processes that ultimately improve their performance.

An appraisal at maturity level 3 indicates the organization is performing at a “defined” level. At this level, processes are well characterized and understood, and are described in standards, procedures, tools, and methods. The organization’s set of standard processes, which is the basis for maturity level 3, is established and improved over time.

Concept Quality Assurance Labs, an authorized CMMI Institute service provider, performed the appraisal.
